Dossier India

<https://www.indiamart.com/dossierindia-delhi/>

We are the most appreciated manufacturer of Display Racks and Shelves. Smooth finish, cost-effective rates, quality assurance, excellent design and strongly built texture are some factors that make these racks highly appreciated.

About Us

We, "**Dossier India**" are well-appreciated organizations established in the year **2009**, at Delhi. We are the biggest and leading name in the market by manufacturing our customers finest quality assortments of Display Racks and Shelves. Our wide range of product includes Shopping Basket, Slotted Angle Racks, and Grocery Store Racks. Along with this, we also provide installation services to our valuable clients. These racks are manufactured by our most qualified and experienced professionals with the assistance of modern and up to dated machines. To keep these racks stylish and trendy, our professionals do deep market research and study. These racks are beautiful, trendy and very spacious to use. They are perfectly finished and non-breakable. They are easy to install on walls and very quality assured. They are highly demanded and appreciated in shopping malls for displaying different sorts of things like vegetables, fruits, books, stuff toys etc. They are neat and durable to keep for long durations of time. Smooth finish, cost-effective rates, quality assurance, stylish design, perfect durability and strong build texture are few of the many factors that make these racks highly appreciated by our customers.

We are bestowed with modern and hefty looking infrastructure that spreads over the large area of land. They are huge and very spacious to carry our various processes to keep it as per required level. Our infrastructure is not only spacious but also very...
